Dear Bridgette Escobedo,

The League of Women Voters of Texas is pleased to present you with this award for Outstanding County Election Website! This is our second year evaluating county websites for voter and election information. We believe Texas voters should be able to find voter election information easily. The study assesses the level of voter and election information provided online by official county websites in Texas. Since counties run elections, the county election website is the most reasonable place to find the information Texas voters need.

Thank you for all your hard work and dedication to empowering voters and defending democracy. We have included a summary of our most recent review and a certificate honoring your Outstanding County Election Website. Please visit <https://my.lwv.org/texas/county-website-review> for more tools to continue facilitating access to information about voting!

Sincerely,
