K. RECONCILIATION:
Additionally, in accordance with Texas Election Code Section 127.131(f), the Presiding Judge of the Central Counting Station shall provide and attest to a written reconciliation of votes and voters at the close of tabulation for election day and again after the Central Counting Station meets for the last time to process late-arriving ballots by mail and provisional ballots using a form created and rules promulgated by the Secretary of State to facilitate compliance with this subsection. Once completed, the form shall be posted on a website maintained by the county along with election returns and results.

L. POLL WATCHERS:
Poll watchers are entitled to be present during meetings of the Signature Verification Committee, meetings of the Early Voting Ballot Board and during the time in which the Central Counting Station has convened for the “purpose of processing or preparing to process election results and until the election officers complete their duties at the station.” (Section 33.055, Texas Election Code).

The poll watcher must deliver both their certificate of completion of the Texas SOS Poll Watcher Training and their certificate of appointment to the appropriate authority for SVC, EVBB or CCS. Acceptance as a poll watcher to one statutory function does not cover any other function. Refer to the Poll Watcher’s Guide Issued by the Secretary of State Election Division for additional information.

Poll watcher(s) accepted for a particular statutory function are permitted to stand or sit to observe that function. The Committee Chair of SVC, Presiding Judge of EVBB and Presiding Judge of Central Count may dictate where the poll watcher(s) may stand and/or sit in order to prevent interference with the duties of their respected statutory functions while still being able to observe all activities.

Poll watchers duly accepted for service under Chapter 33 be allowed to observe and report on irregularities in the conduct of any election, but may not interfere in the orderly conduct of an election. A watcher appointed under Chapter 33 shall observe without obstructing the conduct of an election and call to the attention of an election officer any observed or suspected irregularity or violation of law in the conduct of the election. All activities of poll watcher(s) shall be in compliance with the current Poll Watchers Guide issued by the Secretary of State.
